#### **DESCRIPTION :**

The full-day trip from Fes to Volubilis, Moulay Idriss and Meknes starts at 07:30-08:00 am with a Professional guide/driver from our team, who will pick you up from your accommodation in Fes.

We will start your journey by leaving Fes to reach the Roman ruins of Volubilis, where we will explore the remains of the 2000-year-old complex, and visit the sites including a Basilica, Capitoline Temple, and Arch of Caracalla.

Then we will continue to Moulay Idriss Zerhoun to discover one of the holiest cities in Morocco and take a walk through the narrow streets of the city. Afterward, we will go to Meknes, where we will have lunch in a local restaurant near the square of El Hedim. After lunch, we'll take a stroll in El Hedim square and the old Medina of Meknes. We will also visit all the interesting places in the city, including Mausoleum Moulay Ismail, Sahrij Souani, and Bab El Mansour which is the biggest gate in Morocco.
